## Events and Interactions

### Release of Status Report on AP Reorganization and Union's Commitments @Vedika Hall, Vijayawada

Dr. Jayaprakash Narayan along with other members of Independent Group of Experts (IGE) - Justice Parvatha Rao, Shri. Ajeya Kallam, Shri. K Padmanabhaiah, Prof. S Galab and Prof. R Radhakrishna, released the Status Report on Union's Commitments to Andhra Pradesh

on 7 January 2019 at Vijayawada. The report is a genuine, non-partisan effort by distinguished experts to resolve various contentious issues relating to the bifurcation of Andhra Pradesh and seeks to reconcile the differences between the Union and the Successor State of Andhra Pradesh in a harmonious manner.

### E-Summit 2019 by Swayam @Vasavi College of Engineering

Dr. Jayaprakash Narayan was the Chief Guest at E-Summit 2019

organised by Swayam, Entrepreneurship Development Cell of Vasavi College of Engineering, Hyderabad on 19 January 2019. He emphasised that education and innovation are the critical levers of change and that innovation be applied when facts are not productive. Logic, factual accuracy and reconciliation of conflicting thoughts are the prerequisites for the betterment of society, he noted.

**Addressed Sri Ramakrishna Seva Samithi Programme**

Dr. Jayaprakash Narayan addressed a public event organised by Sri Ramakrishna Seva Samithi on 22

January 2019 at Anaparthi. He stated that the youth of India are no less than anyone in terms of intellect or capabilities and called upon the youth to awaken their dormant energies, to be channelized for country's development and progress.

**Seminar on Reforms in Public Health and Medical Education @Sundaraiah Vignana Kendram, Hyderabad**

Dr. Jayaprakash Narayan addressed the members of Indian Medical Association (IMA) and various

Junior Doctor Associations on 1 December 2018 at Sundaraiah Vignana Kendram, Hyderabad. He emphasised on various reforms in Health care like instituting Primary Health Care facilities and rural health care providers. He also cited the need to increase the share of health care expenditure of GDP.

**Conference on  
“Corruption in Law and Practice: Comparative Perspectives” @O.P Jindal Global University, Sonipat**

Dr. Jayaprakash Narayan participated in the Conference organised by O.P Jindal Global University on 10 December 2018

where he spoke about the **role of civil society in combating corruption**. “We cannot expect morality without building institutions and making it actually sustainable for all our citizens where they benefit like all others. And, unless the citizens are empowered enough and the bureaucracy is accountable, morality shouldn’t be expected from people. Law must be the last element. The rate of conviction in India is one of the lowest at around 10 %. You cannot call this the rule of law”, Dr. Narayan stated.

**Anti Corruption Day walk**

Dr. Jayaprakash Narayan was the Chief Guest at Anti Corruption Walk, organized by Youth For Anti Corruption on 13 December 2018 at

Necklace Road, Hyderabad where he spoke about rampant money power in elections and recent amendments to the Prevention of Corruption Act, and emphasised on the need for Service Guarantee Act. He called upon the citizens and media to devote more attention to these issues.

## Addressed Math Talent Test participants @ZP School, Karimnagar

Dr. Jayaprakash Narayan was the Chief Guest at an event organised by Sadisha Foundation on 22 December 2018 at ZP School, Karimnagar. He brought forward the fact that educational reforms in the country are not keeping pace with population growth. And to address this, he made a strong point to introduce application-oriented curriculum in Science, Logic and Mathematics for an all-round development of the student.
